Re: Carbon Tax Removal Substantiation Statement

I am writing this letter in relation to your recent enquiry regarding Carbon Tax Removal Substantiation Statement.

Mortons Lane Windfarm Pty Ltd (**MLWF**) is a renewable energy producer, producing electricity through wind turbines. Under section 60FD of the *Competition and Consumer Act 2010* (Cth), MLW is required to provide a written statement setting out its estimate of the cost savings attributable to the repeal of the carbon tax during the year commencing 1 July 2014.

MLWF has no carbon-related regulated supply input costs, and therefore will have no cost savings to pass on to customers as a result of the carbon tax repeal.

Should you have any further question, please let us know.

Sincerely Yours

You Li
